L'EXTINCIEUP -Under this title a very toseful portable machine for extinguishing fires has been imported by Messrs. Lane, Crawford & Co. lffice. It is of the No. 5 size, stands 2 ft. 6 in, high. of the and is about 10 inches in diameter. The "cut" from given in the directions represents it as being carried on a man's back, and worked solely by him. After being "charged" with the cheminittee cals it is always ready for use. It was fairly resof tested on Wednesday evening at the point of twas Kowloon Bay. A large quantity of loose staves, broken oil casks, and other highly combustible matter was heaped together, the whole being saturated by fifteen gallons of tar. Sufficient time was allowed for the fire to get firm hold, and then the Extinctor was tried with complete success. Wherever the fluid came is contact with the flames the "extinguishing" was instantaneous. In order to thoroughly test it the flames were allowed again to ascend in great volume, but immediately on application the effect was the same. It is well worthy the atteneffect was the same. It is well worthy the attention of the authorities, especially as the formation of a Fire Brigade is under discussion. The cost of the one under notice, in Hongkong, including 12 charges of the chemicals, is from \$65 to \$75. Very much larger ones are made for the use of companies, brigades, &c., and he me-mind. o their have been proved to be ver faffectual.

of the order the depression and duliness which has perto the vaded the drug market for the past few days.

The ministrative quarters have been assessed. native quarters have been superseded by a con-siderable activity to day, and were it not for the anxiety on the part of the importers to g realise, by meeting readily all offers, much letter rates would have resulted from the extensive transactions that have taken place of Bengal Drug. The market opened in the mora-ing for new Patnant \$6314 on credit terms to the natives, but only a few chests were cold; it steadily advanced, however, to \$637} cash, and \$640 on time, much to the chagrin of certain Bears, who made every attempt to lower the rates down to \$825, and someeven went so far auto wager on the pon fifth sales Patna to arrive on time at 30% to \$6461. Benaves was being freely offered on sale yesterday at \$617½ to \$620. At the latter rate about 30 chests were placed in the morning, but as the demand for it increased, the morning, but as the demain for it increased, holders became firm, and it advanced to \$6221, closing firm at \$625, with more buyers than sellers. Nothing whatever has been done in Malwa. The following may be taken as the closing prices:—New Patria \$6371 to \$640, and \$6461 to \$6474 for fifth sales, to arrive. New Benares. \$6274 for fifth sales, to arrive. New Benares. \$6274 to \$6274; Old Patria, \$650 to \$630; Old Benares, none left; Malwa, \$660.

The markets have been very dull to-day, asnamed on the day of the departure of the mail.

The natives have been inquiring to some extent for goods, but much to their surprise they and the market as firm as ever. There have and his teen some rumors to the effect that the unfavorable news from the morth has weakened prices here, but this can hardly be said to be the fact, and one large holder has to-day refused \$3.15 for Small Eagle \$415s. Grey Shirtings. Some of the speculators who have purchased rather largely of Piece Goods may perhaps be a little "funky." but the market is perhaps be a little "funky," but the market is nough to quite as firm to-day as before the arrival of the drawing news from Shanghai. There has been scarcely any husiness doing. The following scales are

reported:—450 pieces. White Shirtings at \$4.40 to \$4.50, 500 pieces. White Shirtings at \$4.40 to \$4.50, 500 pieces. The Shirtings at \$4.40 to \$4.50, 500 pieces. This Same quality cargo at \$1.85, 2,000 pieces. This Same quality at \$2.20, and 15 hales. No. 16/4 Yarn Bombay at \$105. There has been some demand for Raw Cotton, and 425 bales are reported settled at \$20.50 to \$21. Shares are quiet and with little doing; some new Bank have been placed at 24 premium.
